## ***THERMO JACKET***

Our Thermo Jacket offers thermal comfort for those who work in cold outdoor environments. Warm and resistant, it has mesh cuffs, a fur collar and elastic at the back for a perfect fit, keeping thermal comfort throughout the day. The velcro on the collar allows adjusting the collar for higher protection and comfort in cold and tough environments.

### **Features**

- Frontal zipper
- Adjustable and soft fur collar
- Elastic back band
- Outside insulated pockets
- Frontal pocket with pencil stall
- Cold protection at temperatures above -5°C
- EN ISO 14058:2017 Cat. PPE II
